

Acknowledgements

This project is supported by members of the EStrogens and combined oral CONtraceptives Expert Committee (ESONEC), a group of clinical experts and academic advisors from across Europe, Asia, and the Americas.

ESONEC members

Prof. JF Arnal, PhD – Université Toulouse III, France; Prof. DF Archer, MD – Eastern Virginia Medical School, USA; Dr P Barriga, MD – Clínica Fertilidad, Santiago, Chile; Prof. J Bitzer, MD – University Hospitals Basel, Switzerland; Dr. D Black, MD – University of Manitoba, Canada; Prof. N Chabbert-Buffet, MD, PhD – AP-HP, Paris, France; Prof. MD Creinin, MD – University of California Davis Health, USA; Prof. P Descamps, MD – University of Angers, France; Prof. IJ Díaz Yamal, MD – Universidades Unisanitas y Militar Nueva Granada, Bogotá, Colombia; Prof. J Douchfils, PharmD, PhD – University of Namur, Belgium; Prof. JM Foidart, MD, PhD – University of Liège, Belgium; Prof. F Fruzzetti, MD, PhD – San Rossore Clinical Center, Pisa, Italy; Prof. U Gaspard, MD, PhD – University of Liège, Belgium; Prof. K Gemzell-Danielsson, MD, PhD – Karolinska Institutet, Sweden; Dr. A Kubba, MD – Guy’s and St Thomas’ NHS Foundation Trust, London, UK; Dr. D Mansour, MD – Newcastle Hospitals NHS Foundation Trust, UK; Prof. RE Nappi, MD, PhD – University of Pavia, Italy; Prof. T Osuga, MD, PhD – Teikyo University, Japan; Dr CA Petta, MD – Clínica Fertilidade & Vida, Campinas, Brazil; Prof. T Piltonen, MD, PhD – University of Oulu, Finland; Prof. A Sridhar, MD, PhD – University of California Davis Health, USA; Dr T de Villiers, MD, PhD – Stellenbosch University and Tygerberg Academic Hospital, South Africa; Prof. A Yadav, MD – AIIMS Nagpur, India.

The project was initiated by Prof. P. Descamps, MD and Prof. N. Chabbert-Buffet, MD, PhD, who, together with Prof. RE Nappi, MD, PhD, Prof. T. Piltonen, MD, PhD, and Prof. JM. Foidart, MD, PhD, form the project oversight team.

Terminal 4 Communications (Hilversum, the Netherlands) is coordinating the project, with medical writing support from N. Hakimzadeh, PhD, S. Paz Ruiz, MD, P. de Groot, PhD, and M. Gerrits, PharmD. Graphical support was provided by E. Garcia-Melchor, MD, PhD, and the webpage was developed and is maintained in collaboration with J. Rodermond at Appec (Nijmegen, the Netherlands).

The project received an unrestricted grant from Gedeon Richter PLc (Budapest, Hungary). The ESONeC team gratefully acknowledges Jaime Onofre, dr. Med (sci), PhD, for his contributions to the project’s initiation.

Expert contributions by section

Section 1	Family planning, fertility care, and contraceptive counselling: a person-centred continuum K Gemzell-Danielsson, A Yadav, CA Petta
Section 2	Contraception: general considerations K Gemzell-Danielsson, A Sridhar, Y Osuga, P Barriga
Section 3	Mechanisms of action of estrogens and their physiological effects JF Arnal, HS Taylor, Y Osuga, JM Foidart
Section 4	Absorption, distribution, metabolism, and excretion of estrogens used in combined oral contraceptives FZ Stanczyk, H Taylor, U Gaspard
Section 5	Clinical applications of estrogens in adolescence and the menopausal transition A Sridhar, K Gemzell-Danielsson, U Gaspard, P Barriga, T de Villiers
Section 6	Bleeding outcomes and cycle control in combined hormonal contraception DF Archer, D Mansour, MD Creinin
Section 7	Therapeutic benefits of the estrogen component in combined hormonal contraceptives (beyond contraception) T Piltonen, Y Osuga, J Bitzer
Section 8	Thrombosis J Douchfils, U Gaspard, MD Creinin
Section 9	Safety of estrogens in combined hormonal contraceptives: evidence beyond thrombotic risk JM Foidart, T Piltonen, MD Creinin
Section 10	Tolerability of combined oral contraceptives and physical, emotional and sexual well-being perception T Piltonen, K Gemzell-Danielsson, A Sridhar
Section 11	Patient-reported outcomes in contraceptive use J Bitzer, F Fruzzetti, A Yadav
Section 12	Access to contraception across the world CA Petta, M Obiol Saiz, F Fruzzetti, A Yadav
Section 13	Social media and contraceptive decision-making across the life course M Obiol Saiz, A Sridhar, T Piltonen, A Yadav, IJ Díaz Yamal
Section 14	Hormonal contraception and environmental impact T Piltonen, K Gemzell- Danielsson, CA Petta, D Black
